

What to Add to Your Chamber Profile

Important Information to Add to your Profile

- When you are logged into your profile and within the “Edit this Profile” tab (see How to update information in your profile), there are multiple tabs on the right side which can be selected

Profile Edit

General Information

Additional Addresses

Additional Phones

Additional Emails

Directory Listing

Embedded Video

Social Media

Update Your Preferences

- On the “General Information” tab, it is important to input your company name, the address of your business, the main email address and phone number of your company, and your company’s website

The screenshot shows a web form for editing a profile. The form is titled "General Information" and contains several input fields and dropdown menus. The fields are: Company Name (with "MCOOC Test Profile" entered), Address (with a location pin icon), City (with "Marlfield" entered), State/Province (with "M." selected in a dropdown), Zip (with "02050" entered), Zip Ext., County (with "MA" entered), Country (with "United States" entered), E-mail, Work Phone (with a location pin icon), Home/Other Phone, Fax, Website (with "https://www.marshfieldchamber.org/" entered), Preferred Method of Contact (with a dropdown arrow), and Preferred Billing Method (with a dropdown arrow).

- If you have any other emails, addresses, or phone numbers that are relevant to add, you can use the “Additional Addresses”, “Additional Emails”, or the “Additional Phones” tabs

Additional Addresses

Additional Phones

Additional Emails

○

- In order to be found in our business directory, it is important to add keywords and a description under the “Directory Listing” tab

○

- Under the “Social Media” tab, you can link your company’s Facebook, Instagram, or Youtube by selecting a form of social media from the drop-down menu and then inputting a link to your chosen social media page

○

Add Social Media
